Re: List of Peer Consultation Group Panel Members and Schedule

Dear Mr. Santoro:

Menzie-Cura & Associates, Inc. has selected the following experts for the Peer Consultation Group (PCG). We are currently seeking an expert in terrestrial bioaccumulation and will inform you when we have selected a candidate to cover that area of expertise.

Name	Affiliation	Nominated by:	Stakeholder Group	Area of Expertise
Joel Baker	University of Washington – Tacoma	MCA	Academia	Transport, fate, and accumulation of persistent chemicals in aquatic systems
Bryan Boulanger	Texas A&M	EPA	Academia	Fate of perfluorooctane surfactants surface waters and effluents
Jeffrey Driver	Infoscientific, Inc.	3M	Consultant	Human exposure assessment
Michael Jayjock	The Lifeline Group	3M	Non-profit organization	Human exposure modeling
Kurunthachalam Kannan	State University of New York at Albany	EPA	Academia	Environmental distribution, biomonitoring, fate and effects of PFCs
Ernst Kastning		MCA	Consultant	Karst hydrogeology
Kirk Kessler	Environmental Planning Specialists, Inc	3M	Consultant	Hydrogeology, groundwater modeling, and site characterization
Linda S. Lee	Purdue University	EPA	Academia	Fate of perfluorinateds in soils, sediments, streams, and biosolids
Charles Newell	GSI Environmental, Inc.	MCA	Consultant	Groundwater modeling and site characterization
Neil Sass	Alabama Department of Public Health	MCA	Regulatory Agency	Health impacts of human exposure to chemicals

The draft schedule for the PCG's review of the Assessment documents is as follows:

- 1st week of March Send meeting packages (Assessment documents, charge and clarifying questions, meeting agenda, directions for meeting prep, travel info) to PCG members
- 1st week of April Pre-consultation conference call with PCG to discuss preliminary comments/questions
- 4th week of April 2-day Peer Consultation Meeting in Decatur

We will send specific dates for the meeting in Decatur later this month.

This memo will be posted on the following web page dedicated to the PFOA Peer Consultation Process on Menzie-Cura's website: <http://www.menziecura.com/pfoa/documents.php>

Sincerely,

Charles A. Menzie
Menzie-Cura & Associates, Inc.
